

GCSE Press Release - Thursday 20th August 2026

I am incredibly proud to announce that Chessington School's Year 11 students have achieved another cracking set of GCSE results.

Chessington's results have risen again, even though nationally the pass rates have dropped. This is truly a mark of the great work of the teachers and families, but most importantly our students over these past years. Well done class of 2026!

Our students have worked incredibly hard, both inside and outside of the classroom and this hard work has certainly paid off. We are excited to welcome many of them back to our Sixth Form and know that the others are set to flourish at their chosen destination. We wish them the very best in their next steps.

As a school we strive to provide the very best rounded education to our students. Many of our subjects reached pass rates above National Averages. The wide variety of courses that we offer enable **all** of our students to follow their dreams and reach their potential.

Everyone valued • Every day an opportunity • Every moment focused on success

www.chessington.kingston.sch.uk

A number of individual performances have been simply brilliant- with students such as Edmund and Jasper who achieved a record breaking **19 grade 9's** between them!

Jessica achieved 6 Grade 9's one of which was Further Mathematics where she only dropped 1 mark!

The progress from all of our students of all backgrounds demonstrates that we are a truly inclusive school that embraces our 'Every Child Every Day' ethos successfully. So, very well done Year 11. You truly deserve the success you have worked so hard for. We look forward to witnessing your successes over the years. Here is to another excellent year ahead at Chessington.

Ms S Wilson
Headteacher

Quotes - GCSE Press Release

"It has been wonderful to see huge smiles, speechless students and so many proud families in our atrium this morning. Results Day is always one of my favourite days of the school year, and this morning did not disappoint. We are so proud of our Year 11s and their incredible achievements this year." **Ms Jacob Deputy Head**

"I am so immensely proud of the sea of happy faces I witnessed this morning. Results Day is nerve-wracking nationwide, but it was inspiring to see that so many of our students exceeded their own expectations. I am humbled by these incredible young people and know that whatever path they walk next, they will be a success."

Mr Power - Head of Year 11
