

09 September 2026

Dear parents and carers,

Welcome back to a brand new term! It has been fantastic seeing our students return with such positive energy, enthusiasm and focus, and we are incredibly proud of how quickly they have settled into their new routines!

To maintain this high standard of focus and ensure every student reaches their full potential, consistent expectations across the school are essential. Part of supporting your child's academic and personal growth involves celebrating their achievements through our school reward system, whilst also holding them accountable if these standards slip- which is why attending detentions is a vital part of our shared partnership.

As with previous years student non attendance at detention leads to an escalated consequence; which is for 2 hours. This sanction will now be issued on a **Wednesday** or a **Friday**, depending on when the initial consequence was missed. A member of staff will contact you if this consequence is required.

Please support your child in attending to consequences by discussing incidents with them and reminding them that consequences are learning opportunities. We want to encourage our students to avoid sanctions by fully engaging in our positive behaviour culture- where achievement, effort and kindness are recognised daily through achievement points, praise postcards and termly rewards. By encouraging your child to focus on these positive choices, they not only avoid sanctions but also open doors to the recognition, leadership opportunities and academic success that come with consistently giving their best.

Please do not hesitate to reach out to your child's form tutor with any questions you have.

We look forward to seeing you at our upcoming information evenings!

Kind regards,

Mrs C Cooper

Everyone valued • Every day an opportunity • Every moment focused on success
