A Levels (Academic pathway)

- Advanced level qualifications are subject-based qualifications that can lead to university, further study, training, or work.
- You can normally study three (or more) A levels over two years.
- They're usually assessed by a series of examinations the end of the 2 years.
- At least five GCSEs at grades 9 to 4 including English and Maths
- At least grade 5 or 6 in the specific subject(s) you want to study

BTECs (Vocational and Technical)

Depending on which college or sixth form you study at will depend on what they offer:

BTEC Level 3 Minimum requirements (5 GCSEs/BTEC including English and Math)

BTEC level 3 National Extended Diploma, which is equivalent to three A levels

BTEC level 3 National Diploma, which is equivalent to two A levels

BTEC level 3 National Extended Certificate, which is equivalent to one A level *

Offered at Hollyfield sixth form*

BTEC Level 2 Minimum requirement 4 GCSEs at grades 3 (including English & Maths). 1 year course which leads on to level 3 BTEC. Usually resit English/Maths alongside.

BTEC Level 1 - Minimum requirement 4 GCSEs at grades 2-1. 1 year course which leads on to level 2 BTEC. Usually resit English/Maths alongside.

T Levels - New qualifications!

T Levels (TECHNICAL LEVELS) are new courses which follow GCSEs and are equivalent to 3 A levels. T Levels are offered in:

- Building services engineering for Construction;
- Digital;
- Education and child care;
- Health care services;
- Construction and Science.
- There are plans for many more!

Where can you study them? Nescot is offering T Level qualifications in two of specialist areas - Health Science and Digital - from September 2023

Kingston College is offering T Levels in Accounting, Finance and Education and Early Years

Entry requirements 5 GCSEs including English and Maths. Level 4 and above.

Equivalent to 3 A Levels

Equivalent in size to 3 A Levels, a T Level focuses on vocational skills and can help students into skilled employment, higher study or an Apprenticeship.

A 45-Day Industry Placement

Each T Level includes an in-depth industry placement that lasts at least 45 days. Students get valuable experience in the workplace; employers get early sight of the new talent in their industry.

80% Classroom, 20% Work

T Level students spend 80% of the course in their learning environment, gaining the skills that employers need. The other 20% is a meaningful industry placement, where they put these skills into action

The Nescot logo consists of a small icon of a building with a flag on top, followed by the word 'Nescot' in a bold, purple, sans-serif font.

Work related courses

Work related Courses include:

- Hairdressing
- Beauty/Makeup
- Professional Cookery
- Motor Vehicle
- Plumbing
- Electrical
- Carpentry
- Bricklaying
- Tree Surgery

Requirements: interest in that area of work plus they will look at your GCSE grades in English and Maths. If you achieve grades 4+ you can start on Level 2. If you don't you will start on Level 1.

Each level takes 1 year and can lead to an apprenticeship/Employment.

Apprenticeships

An apprenticeship is a real job with training “ LEARN AS YOU EARN”

[Play video on this page: https://www.bbc.co.uk/bitesize/articles/zbr346f](https://www.bbc.co.uk/bitesize/articles/zbr346f)

An apprenticeship is employed by the company and receives:

- job-specific training
- earn a wage and get holiday pay
- be given time for study related to their role (the equivalent of one day a)

Intermediate Level 2

Advanced Level 3

Higher Level Level 4 & 5

Degree Level Level 6 & 7
