

Attendance. Mrs Cooper Deputy Headteacher

CHESINGTON
SCHOOL

Everyone valued • Every day an opportunity • Every moment focused on success

WHY ATTENDANCE MATTERS

Being in school, every day, on time and ready to learn.

Good attendance gives students:

- More learning and fewer gaps
- Stronger friendships and a greater sense of belonging
- Better routines and habits
- More confidence and resilience
- More opportunities and choices in the future

MAKING A STRONG START

Secondary school brings greater independence. The habits students develop now can shape the rest of their school career.

We want our Year 9 students to get GCSE ready by :

- Aim for **95%+** attendance
- Arrive on site by **8:25am**
- Be in tutor time and ready to learn by **8:30am**
- Attend every lesson
- Ask for help when something is making attendance difficult

We know that genuine barriers sometimes arise.

Please talk to us early so that we can work together to support your child.

PUNCTUALITY

Being on time matters too.

School registers are legal records and schools must use the national attendance codes required by government regulations.

If a student arrives after the register has closed, they receive a U code.

This is not simply a Chessington School rule — it is a national legal attendance requirement.

Our expectation is therefore simple:

Arrive by 8:25am. Be ready to start at 8:30am.

Where students are late, there is a same-day late detention, with a longer lunchtime detention for students arriving significantly later. The purpose is not to catch students out — it is to establish strong habits from the beginning.

The link between attendance & GCSE results

Students with 95%+ attendance are 5x more likely to achieve strong passes (grade 5+) in English and Maths.

Students with less than 90% attendance are half as likely to achieve those grades.

Even a few missed days can cause you to fall behind — especially in exam years.

WE NOTICE WHEN STUDENTS GET IT RIGHT

We want attendance to be something we celebrate, not simply monitor.

Throughout the year students can receive:

- Certificates and postcards home
- Tutor group rewards
- Queue Jump Passes
- Attendance competitions and challenges
- Individual prize draws
- Rewards and prizes for strong attendance, punctuality and improvement

We recognise consistency and improvement, not just perfection.

Everyone valued • Every day an opportunity • Every moment focused on success
